About This Grant

Community Needs Grants applications are available once per year; opening in August and closing in October. Funding is awarded near the beginning of each calendar year and range from \$500 - \$6,500.

Grant FAQ's are available at <https://www.yourlegacyforever.org/grants/>

These grants are possible because of fundholders who cherish our community as much as you do. Their Field of Interest and Unrestricted Endowment Funds support projects for arts and culture, community development, education, environment and animal welfare, and health and human services.

When awarding grants we consider; 1) how the application will help meet the needs of the community, 2) funding agency programs also available to the applicant, and 3) our available resources.

Submit an Application

<https://www.yourlegacyforever.org/grants/> Applications become available online when the cycle is open.
NOTE: Please complete all online information at one time, because the form will not save data after closing it. Progress will be lost.

Submit Photos

Take photos throughout the development of your project. These will be used in your Progress Report when your project is complete. Submit photos to grants@yourlegacyforever.org without "reducing attachment size."
